

Conference 2017 | Napier War Memorial Conference Centre May 17-19, 2017
Customs Brokers and Freight Forwarders Federation of NZ Inc

Partnership Opportunities

Partnership Opportunities

Who is CBAFF?

Customs Brokers and Freight Forwarders Federation of New Zealand Inc. (CBAFF), is the non-government organisation representing the interests of individuals, businesses and related services within the customs broking and freight forwarding industry, maintaining and developing key relationships and supporting the wider logistics environment in New Zealand. The Federation is proactive with key government agencies, fostering relationships to resolve issues critical to the success of our sector.

This places us in a unique position of being able to work closely with potential delegates, speakers and Partners to develop a programme that meets the needs of the industry in an ever changing global environment. As a result of continuous feedback we continue to develop our initiatives to align with the needs of our members such as 'Young Achiever of the Year'.

It is the aim of CBAFF to work with you, our Partners, to ensure you have maximum leverage from your involvement and contribution and to promote your involvement leading up to and beyond the conference.

Unique Opportunities

The conference is being developed to provide the opportunity for those working within the sector to come together at the **ONLY** event of its kind nationwide held on an annual basis. We look to you, our Partners for your continued support at our event, reinforcing your strong presence.

The opportunity is to get your products and services in front of an engaged and captive audience:

- Exposure to key decision makers within the customs broking and freight forwarding industry and beyond
- The opportunity to re-connect with leaders and key influencers within the industry
- The environment to foster existing relationships and generate new contacts
- Time for networking, team building and location-specific activities with delegates
- Additional exposure to the CBAFF audience beyond just the conference

Welcoming your Partnership

We thank all past and future Partners of the Customs Brokers and Freight Forwarders Federation of New Zealand Inc. (CBAFF) conferences and share with you the opportunities for the 2017 event.

Your support with this industry-leading event is key to providing an environment where all stakeholders in the customs broking and freight forwarding industry can meet. Representing the industry with aligned service segments for the betterment of service provision and business performance overall.

To be held in Napier, the 2017 CBAFF conference is expected to attract good attendance from industry segments such as Freight Forwarding, Customs Broking, Government, Training, and Recruitment amongst other providers.

The Feedback

When planning the 2017 event, we asked our audience what they wanted from the next Customs Brokers & Freight Forwarders Federation Conference. They told us they wanted:

- *Sessions that provided a mix of industry, business and personal development*
- *Plenty of opportunities for networking - formal and informal*
- *A range of quality speakers with industry experience and fresh perspectives*
- *An opportunity to network at a 'Partners-only' session*

Partners are invited to an intimate networking session on the Wednesday evening preceding the main conference activities.

The Invitation!

The Customs Brokers and Freight Forwarders Federation Conference will be held from 17-19 May, 2017 at the Napier War Memorial Conference Centre. We would like to invite you to help us make this event one to remember!

A range of Partnership opportunities and packages are outlined in this document. If you are interested in a partnership option that is not listed here, please don't hesitate to contact us and we can see how it can be included.

CBAFF hopes that you will be able to be a part of the 2017 event as we work towards our aim "to be *THE Transport Logistics Organisation for New Zealand*".
