EXHIBITION FLOOR PLAN

ON SUSTAINABILITY

CBAFF is committed to reducing the impact of our conference on the environment. To this end we have engaged the following protocols :

FLY WITH AIR NEW ZEALAND

Take the opportunity to offset your carbon footprint and fly with Air New Zealand. FlyNeutral supports New Zealand travellers to offset the carbon emissions associated with their Air New Zealand flights. See [here](#) for more information about FlyNeutral.

TRAVEL

Our venue is located near good public transport links and within walking distance of all of the accommodation options offered. If you are driving to the event please consider carpooling with colleagues, and using low fuel economy vehicles.

RECYCLING & CONSERVATION

Our venue endorses sustainable practices for the good of the environment. Recycling stations are located throughout. Assistance with recycling and conservation of power and water is appreciated.

CATERING

We are working with our venue to minimise food waste plus we will be offering a great variety of delicious selections for our lunches throughout the conference, along with a good number of vegetarian options. Please ensure you bring along a refillable water bottle so we minimise the usage of disposable plastic cups.

DELEGATE HANDOUTS

We will NOT be supplying plastic name badges, rather we will print your name directly onto recyclable paper. Please feel free to hand in your lanyard for recycling at the end of the conference. We won't be offering delegate satchels/bags this year so if you need a bag please feel free to bring one along with you.

PRINTED MATERIAL

We endeavour to minimise printing in general and will provide as much electronic information as possible, via email and the conference mobile app.

SPONSORS AND EXHIBITORS

Sponsors and exhibitors are encouraged to ensure they reduce their waste and environmental impact by providing appropriate information about themselves and their services in electronic format. Instead of giving away generic and often wasteful swag items, we will invest in a more meaningful and impactful way to promote your brand. By contributing to our tree planting initiative, not only will you be helping to preserve Aotearoa's natural environment, but you will also be creating a positive association with your brand and demonstrating your commitment to sustainability.

Together, let's make a real difference in our environment and work towards a more sustainable future. Your success is our success, let's do our part, one tree at a time.
